Dine At Stevens' First Anniversary Party: Singapore's Largest Hide and Seek Game

Slated to be held on 10 November 2018, from 11am to 10pm, Dine At Stevens will be kicking off their anniversary party with a compound-wide, all-day long Hide-and-Seek Game.

Organised as the largest hide-and-see game in Singapore, participants will seek several Stevens personas to find the one Stevens persona that fits all 11 clues given out by the

various personas. Meant to portray the various personalities and lifestyles that Dine At Stevens accommodates, it is free to participate and participants will win cash, dining vouchers, staycations, and commemorative Dine At Stevens spices which may be used to recreate their favourite Dine At Stevens meal at home.

The world's largest hide and seek game recorded by the Guinness Book of World Records had 1,437 participants in the city of Chengdu in China¹. The Dine At Stevens version will feature the hide-and-seek game held in the largest compound in Singapore, and its organisers are hoping to log an "unofficial" largest hide-and-seek game in the world record should there be more participants than the one recorded by the Guinness Book of Records.

Dine At Stevens will also be having other fringe activities such as culinary workshops, a Dine At Stevens Christmas tree decoration and light up, and "silent" movie screening. Preliminary details may be found in Annex B.

Stevens Gives – Stevens Dedicates Christmas Meals to the Underprivileged

As part of Stevens' first Christmas, Dine At Stevens will also organise the destination's first Christmas meal dedication and delivery programme to the underprivileged. Diners who dine at the destination from 11 November till 24 December will be able to dedicate a meal to an underprivileged person, child or family. Each outlet, will be contributing dishes to the meal dedication. More details of "Stevens Gives" will be released at a later date.

Ranging from parent and child pasta/pizza making from InPiazza Italian to cocktail masterclasses from L'Apéritif and even a "No Coconut Curry Making Workshop" from Curry Gardenn, these workshops serve to involve Stevens diners in immersive and fun learning sessions with each of the restaurants and get up and personal with their chefs. Workshops are priced between SGD 15 to 25 per participant/parent-and-child pair.

Dine At Stevens' First Outdoor Lawn "Silent" Movie Screening

To cap off the day, Dine At Stevens will host their first-ever movie on the lawn in the estate. Free for all to attend, Dine At Stevens welcomes families and friends to bring their picnic mats to enjoy Disney's Moana under the stars. In consideration of the residential estates around the compound, Dine At Stevens has specially arranged for the movie to be broadcast "silently" to 200 headsets using Bluetooth technology.

Decorate Stevens' First 11 Christmas Trees

To usher in an early Christmas, Dine At Stevens welcomes residents and public from the Stevens vicinity to help decorate 11 Christmas trees for Stevens' first Christmas. Diners who visit Dine At Stevens from now till 24 December, will be given Dine At Stevens decorations to take home or decorate the trees placed within each outlet. There will be a commemorative light up of all 11 trees on the Stevens lawn after the movie screening.

Participants may register for the workshops and movie screening at www.dineatstevens.com from 1 November 2018.
